

2010 WCRA Bylaws Report

9/22/2010

At the WCRA Annual Meeting (Fall 2008) a proposal was made to have members vote electronically rather than by paper ballots. This would require a change to the WCRA Bylaws. The following change was proposed and was ratified by 2/3 of the membership. The electronic voting is effective for the 2010 WCRA Annual Fall Meeting.

Change:

The officer shall be elected by a majority vote cast by the active members in good standing. Ballots with instructions for their use shall be **posted on the WCRA Webpage** 30 days prior to the Annual Meeting. In order to be **valid, the ballot must be cast electronically per instructions on the WCRA Webpage** and must be received 15 days prior to the Annual Meeting. **Only valid ballots shall be** tabulated by the Nominating Committee. The results of the election shall be announced to the nominees at least seven days prior to the Annual Meeting, and announced to the general membership at the Annual Meeting. In the event of a tie, the Executive Committee shall vote to break the tie.

This year the Bylaws committee will count the ballots, since the only person on the nominating committee is running for office.

Respectively submitted,

Patricia A. Recely, Bylaws Chair
